2022

Presented virtually via Zoom and in-person:

Las Colinas Country Club | 4400 North O'Connor Rd, Irving, TX 75062

It's a fact that coaching enables leaders and their teams to deal with the unknown - to work better together in a dynamic workplace environment where success often requires resilience like never before. Coaching has been proven to increase leadership effectiveness, team effectiveness, and Increased employee self-efficacy.

This year, we are pleased to present two speakers who will offer two different perspectives on the value of coaching:

The Impact of Coaching - Starting with the CEO
